### Booth Styles

---

QA Group excels in crafting custom booths to your exact specifications, offering a diverse range of upholstery options and styles, including horizontal or vertical channel backs, V-shaped backs, button-tufted designs, and wall-mounted options. We can construct booths of any shape or size, ensuring your needs are met with precision and quality craftsmanship.

### Design & Build

---

Every project is different, but our tried and true process remains the same. We start by gaining an in-depth understanding of your needs, desires, and budget. We iterate concepts through sketches, as well as 3D CAD model renderings. Finally, we craft each piece of furniture with the utmost attention to detail and care.

### Masterful Craftsmanship

---

Our team is skilled in working with a diverse range of materials, as well as furniture creation, utilizing the latest and most innovative digital production tools and software. Every piece of furniture we make is the sum of inventive design, precise engineering, the finest materials, and masterful craftsmanship.
