Our Capabilities

Your one-stop establishment for commercial furniture and custom upholstery needs.

Founded in 1936, we are an acclaimed custom upholstery company headquartered in Washington state, proudly serving clients across the entire United States. Our legacy of quality craftsmanship is what sets us apart. Furthermore, our reputation for creating exquisite and durable upholstered seating is rooted in our ability to collaborate with our clientele.

We believe that custom upholstery projects should all start the same way: with a trustworthy partnership. Therefore, we do just that, bringing our 85+ years of upholstery and commercial furniture experience to each aspect of the design.

Furthermore, we offer over 150 furniture seating products which include a full range of different styles, materials, and price points, to make it simple to find everything you need in one place. Our offerings cater to the evolving foodservice and workspace landscape. Featuring options for customization in multiple finishes and upholstery selections, we ensure each piece meets your unique preferences. Rest assured, we stand by our products, offering warranties and unwavering support.

Our Mission

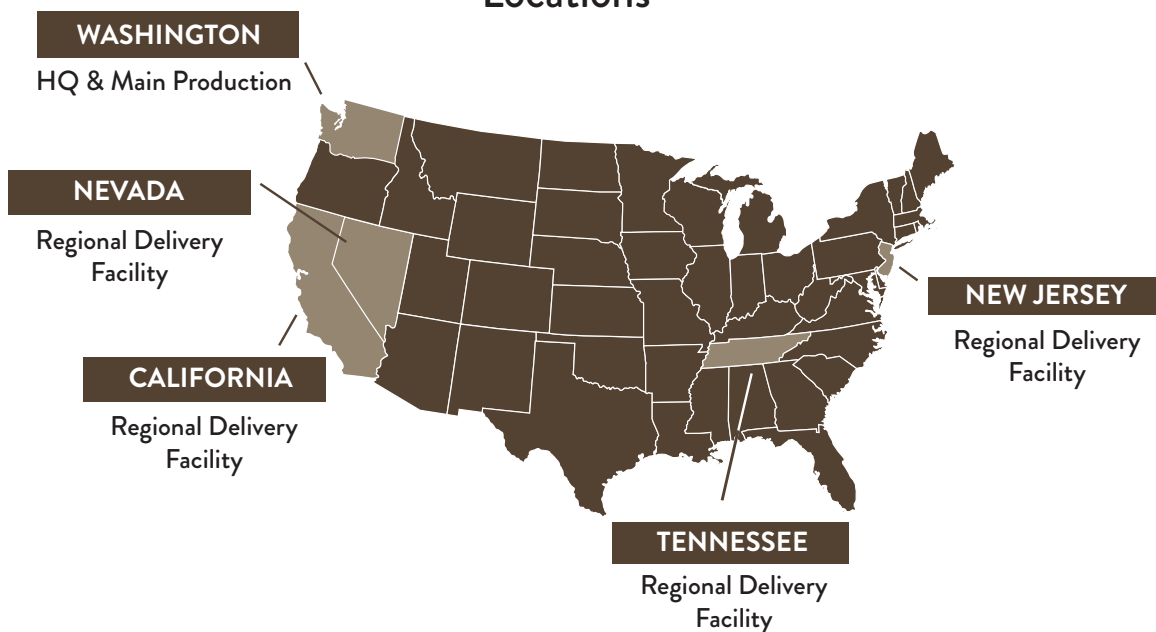

To uphold our trustworthy reputation established in 1936, based on quality and user experience that is synonymous nationally.

Our Vision

We strive to enhance the end-user experience through comfortable, durable products.

Locations

QA Group is proudly headquartered in Washington state, where our main production facility serves as the heart of our operations. This state-of-the-art facility is home to a dedicated team of over 45 skilled craftsmen who bring our custom architectural upholstery projects to life. Here, we manage the entire production process, ensuring that every piece of commercial furniture upholds our rigorous standards of quality and durability.

In addition to our Washington headquarters, we operate regional delivery facilities in California, Tennessee, Nevada, and New Jersey. These strategic locations enable us to efficiently serve clients across the country, providing timely delivery and exceptional customer support wherever it's needed.

Together, our headquarters and regional facilities ensure that QA Group can deliver the craftsmanship and service our clients expect, no matter where they are located.
